Directions for Use:

- Print out the page you'd like to use, I recommend using card stock and laminating to get the most use out of it, and then start using it!
- If you laminate, use a dry erase marker to check off each time you catch your child using manners, when they have completed their chart, give them something special, like a trip to a local coffee shop to enjoy a pastry together, or even a special toy.

Thank You for Respecting My Work.
